

Job Advert: Commercial Sales Manager
Salary: £40k - £50k DOE
Closing Date for Applications: 31st January 2010

Professional, Confident, Inspirational, Highly Self-Motivated Leader

We are about to embark on an ambitious growth strategy that will cement our position as a preferred sub-contractor and provider of quality windows to the commercial market. We are looking for someone that will make this happen.

The Commercial Sales Manager is at the forefront of the Company's development and faces the challenge of driving maximum business from the existing client base as well as identifying and sourcing new business leads and opportunities for the Group. Having worked in a sales and estimating capacity you will be a composite all rounder that is able to offer practical solutions to the estimating team. You will be in regular contact with business leads and suppliers and will use your dynamic network to grow the business.

As an individual you will be naturally engaging, approachable and dynamic but you will also need to be firm, resilient and tenacious.
